The University of Vermont College of Medicine
Presents
THE 20TH ANNUAL
IMAGING SEMINAR
October 13-15, 2006
This Year Special Emphasis on Breast Imaging and Cardiac Imaging for Radiologists
64 Slice CT & Cardiac MRI

Now in Stowe, Vermont!

COURSE DESCRIPTION
This is a long weekend fall imaging seminar at the Topnotch Resort and Spa in Stowe, Vermont. Twenty-four talks given by nationally recognized guest faculty and members of the University of Vermont Department of Radiology will review current topics in imaging.

Participants will improve their knowledge and diagnostic skills in the areas of Cardiovascular Imaging, Breast Imaging, chest and body imaging, Neurological Imaging, and Contract Safety.

Co-organized by: To teach techniques for 64 slice CT in clinical imaging: techniques for General CT for Neuro imaging: techniques for Cardiac MRI; and to teach techniques for breast MRI.

This program has been specifically designed with the practicing radiologist in mind. This course contains extensive exposure to a variety of imaging topics with the convenience of a weekend timetable. Half-days only will be used for didactic sessions, permitting either travel or recreation in the Stowe area.

TUITION
All course materials, and coffee breaks are included in the tuition, as listed on the registration form. However, less than a $200 administrative fee, is available if cancellation is made prior to September 15, 2006. No refunds are possible after that date.

ACCREDITATION
The University of Vermont College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of Vermont designates this educational activity for a maximum of 12 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Four Mammography and four Cardiac credits may be claimed for this program. This program is pending ASRT approval.

ACCOMMODATIONS
A block of beautifully appointed rooms has been reserved at the Topnotch Resort and Spa in Stowe, VT. Please make your reservations directly with the hotel prior to August 28, 2006, by calling (802) 253-4995 or (800) 451-8995, and indicate your participation in this course to obtain our discounted rates: $299 single or double occupancy. All Vermont State tax. Room rates cannot be guaranteed after August 28. Please contact the UVM Continuing Medical Education Office (802) 656-2332 for a list of other lodging possibilities.

Traditionally, accommodations sell out quickly throughout the area during foliage season. We strongly encourage you to make your hotel reservations as soon as possible.

TRANSPORTATION
By Car - It’s a snap, and a very scenic route! Take Exit 10 (Stowe/Waterbury exit) on 108 in Vermont. Follow Route 100 north to the Village of Stowe approximately 10 miles. At the intersection, turn left onto Route 108 (Mountain Road). The hotel will be located approximately 3 miles further on the right-hand side.

By Air - Direct flights to Burlington International Airport at Burlington, Vermont (only 45 minutes to Stowe). You may wish to rent a car to take advantage of the many fine restaurants and shops in Stowe Village and the surrounding area. Consult your travel agent or airline reservation desk for information.

George M. Ebrahimi, MD, PhD

PROGRAM COMMITTEE
Steven P. Braff, MD
Brian S. Garra, MD
Jeffrey S. Klein, MD

GUEST FACULTY
Jessica W. Leung, MD
Assistant Professor of Radiology
Director, Breast Imaging; Research and Education
University of California San Francisco Medical Center

Alvise V. Nave, MD
Assistant Professor of Radiology
University of California San Francisco Medical Center

Charles S. White, MD
Professor of Radiology and Medicine
Chief of Thoracic Radiology
Department of Radiology
University of Maryland Medical Center

FLETCHER ALLEN HEALTH CARE
UNIVERSITY OF VERMONT FACULTY

Stephen P. Braff, MD
Professor and Chairman of Radiology
Professor of Neurology and Neurosurgery
Professor of Radiology
Clinical Leader of Radiology Health Care Service
Director of the University of Vermont Cancer Center
Division of Vascular and Interventional Radiology
Associate Dean of Continuing Medical Education
Director of the University of Vermont Cancer Center
Division of Vascular and Interventional Radiology

Janice L. Gallant, MD
Associate Professor of Radiology
Professor of Pediatrics
Director of Pediatrics

Brian S. Garra, MD
Associate Professor of Radiology
Professor of Neurology and Neurosurgery
Clinical Leader of Radiology Health Care Service
Division of Vascular and Interventional Radiology

Robert L. Sandusky, MD
Professor of Radiology and Medicine
Associate Professor of Radiology
Chief of the Department of Radiology
University of California San Francisco Medical Center

Christopher G. Filippi, MD
Professor of Neurology and Neurosurgery
Chief, Section of Computed Tomography
Director of PET and CT-PET

Timothy F. Christakis, MD
Professor and Chairman of Radiology
Professor of Neurology and Neurosurgery
Division of Neuroradiology

Jessica W. Leung, MD
Assistant Professor of Radiology
Director, Breast Imaging; Research and Education
University of California San Francisco Medical Center

John P. Saffer, MD
Assistant Professor of Radiology
Professor of Radiology
Division of Thoracic Imaging

Richard J. Solomon, MD
Professor of Medicine
Director of PET and CT-PET

Jean-Pierre Polemis, MD
Professor of Radiology
Professor of Medicine
Director of Interventional Radiology

George M. Ebrahimi, MD, PhD
Professor of Radiology
Professor of Neurology and Neurosurgery
Division of Neuroradiology

Timothy F. Christakis, MD
Professor of Radiology and Medicine
Chairman of Radiology

Grant J. Linnell, DO
Associate Professor of Radiology
Division of Neuroradiology

Jeffrey S. Klein, MD
Professor of Radiology
Division of Neuroradiology

A. Bradley Soule Jr. / John P. Tamasso Green & Gold Professor of Radiology
Director of Thoracic Imaging Radiology

Jessica W. Leung, MD
Assistant Professor of Radiology

Christopher G. Filippi, MD
Assistant Professor of Radiology

Brian S. Garra, MD
Associate Professor of Radiology
Professor of Pediatrics
Director of Pediatrics

Richard J. Solomon, MD
Professor of Medicine
Division of Nuclear Medicine

Friday, October 13, 2006

11:30 AM Registration
12:30 PM Welcome & Introduction
George Ebert, MD, PhD
Steven Braff, MD
Alexis Nees, MD

1:45 Break and Exhibits

2:15 New Techniques in Ultrasound
Brian Garra, MD
Alexis Nees, MD

2:45 Break and Exhibits

3:35 Management of High Risk Breast Lesions
George Ebert, MD

4:05 Radio Frequency Ablation of Lung Lesions
Jeffrey Klein, MD

4:35 CT Brain Perfusion
George Ebert, MD

5:05 Adjourn

Saturday, October 14, 2006

7:15 AM Continental Breakfast for Registrants

7:45 Breast MRI: Present and Future
James White, MD

8:15 Pediatric Imaging for the General Radiologist
Janice Galant, MD

8:45 Breast Ultrasound: Review and Update
James White, MD

9:15 Contrast Safety: A Review of the Current Issues Surrounding CN and Contrast Media
Richard Solomon, MD

9:45 Break and Exhibits

10:05 PET in Lung Cancer
Charles White, MD

10:35 Neurointerventional Radiology Update: What We Can Offer the Patient
Grant Linnell, MD

10:50 Advances in Digital Cardiac Imaging
Timothy Christian, MD

11:05 Functional MRI: You Can Do This at Home
Christopher Filippi, MD

11:30 Challenging Breast Imaging Cases
Alexis Nees, MD

12:05PM Adjourn

12:15 Conference Adjourns

Sunday, October 15, 2006

7:30 AM Continental Breakfast for Registrants

8:00 Cardiac CTA, Part I
Charles White, MD

8:30 Cardiac MRI
George Gentchos, MD

9:00 Cardiac MRI, Part II
Charles White, MD

9:30 Aortic Stents & CTA
Christopher Morris, MD

10:00 Break and Exhibits

10:20 Digital Mammography & CAD: Are More Cancers Found?
James White, MD

10:50 Advances in Digital Cardiac Imaging
Timothy Christian, MD

11:20 Core Breast Biopsy: Conocance & Borderline Lesions
Jessica Leung, MD

11:30 Undergraduate Imaging for the General Radiologist
Charles White, MD

11:45 Break and Exhibits

12:00 Conference Adjourns

12:20PM Conference Adjourns

20th Annual Imaging Seminar
October 13-15, 2006

Name: ____________________________
(As you would like it to appear on your registration and certificate)

Degree: □ MD □ DO □ RT □ Other ______

Specialty: ________________________

Registration and Receipt Requested by September 30th

Leisure Time
The Topnotch offers extensive recreational facilities and superb continental cuisine in its four star restaurant. A spa, heated pool, racquet and tennis courts are located on site.

FALL FOLIAGE: Stowe exudes breathtaking beauty in the fall. Mountain views surround you in a blaze of color. The village of Stowe, with its small town charm, offers a myriad of unique boutiques. Take a drive in any direction and enjoy Vermont’s spectacular scenery during the peak of our fall foliage.

ACTIVITIES: Experience a exhilarating 2300 foot ride down Stowe’s Alpine Slide. Located on Spruce Peak, this slide offers fun and excitement to people of all ages. Or visit the Celli Hollow Cider Mill and watch how apples are pressed and made into cider the old fashioned way. Inside the gate of the Shelburne Museum, visitors will discover 37 buildings that are home to vast collections of fine and decorative arts, paintings, folk sculpture, toys, dolls and more. Children 4-14 years will enjoy a trip to the Vermont Teddy Bear Company where they can watch a Bear come to life before their eyes!
