

The University of Vermont College of Medicine

Presents

19TH ANNUAL

CURRENT CONCEPTS & CONTROVERSIES IN SURGERY

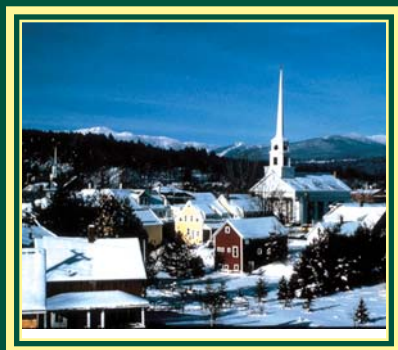

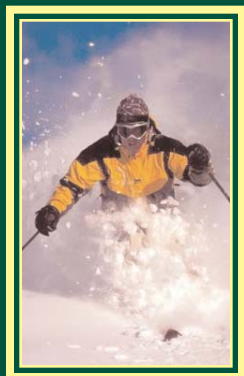

February 4-6, 2010

With
Optional
Suturing &
Breast U/S
Workshops

Stowe, Vermont

COURSE DESCRIPTION

This conference is designed to present current clinical management issues in surgical patients for the general surgeon in practice. This year's program focuses on recent advances and recommendations for particularly problematic clinical issues. By the completion of the course, participants should be able to describe the current management, based on known published evidence, of a variety of general surgical diseases; to understand areas of controversy in the management of a variety of general surgical problems and be able to describe the evidence supporting different points of view.

Registration is limited to allow personal contact with the faculty in order that each participant will be able to tap the resources available for his/her own clinical scenarios.

OPTIONAL WORKSHOPS

Advanced Laparoscopic Suturing: This two hour workshop will take place Thursday afternoon. The objectives of this workshop are for participants to learn intracorporal knot tying and intracorporal suturing. There will be a maximum of 4 participants per session.

Breast Ultrasound: At the completion of this workshop participants should be able to understand the role for and the limitations of ultrasonography in the management of breast disease; and to be able to find, identify and distinguish common breast lesions such as cysts and solid tumors using the ultrasound probe.

JOINT SESSION

UVM will be *concurrently* hosting a conference on Emergency Medicine. This Surgery conference and the Emergency Medicine conference will have a *joint session on Thursday afternoon*. To view the Emergency Medicine agenda, please visit our website <http://cme.uvm.edu>.

ACCREDITATION (Including Optional Workshops)

The University of Vermont College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Vermont designates this educational activity for a maximum of 14 *AMA PRA Category 1 Credits*TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This program has been reviewed and is acceptable for up to 10 Nursing Contact Hours, with an additional 2 contact hours available for each workshop.

**The University of Vermont Office of Continuing Medical Education is an approved provider of continuing nursing education by the Vermont State Nurses' Association, Inc., an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.*

Associate Professor of Surgery
Chief, Division of Vascular Surgery

THURSDAY, FEBRUARY 4

MORNING SESSION

- 7:00am** **Registration & Continental Breakfast for Participants**
- 7:30** **Surgery for Peptic Ulcers - Who, What and When?**
James Hebert, MD
- 8:00** **Complicated Diverticulitis**
Neil Hyman, MD
- 8:30** **Technical Tips for the Difficult Stoma**
Peter Cataldo, MD
- 9:00 - 9:30** **Question and Answer Session With Panelists**

ADVANCED LAPAROSCOPIC SUTURING WORKSHOP (OPTIONAL) Patrick Forgione, MD

1:30-3:30pm A maximum of 4 participants will be shown the intricacies of intracorporeal knot tying and intracorporeal suturing. Participation in workshop does not certify competence.

AFTERNOON SESSION (JOINT SESSION WITH EMERGENCY MEDICINE CONFERENCE)

- 4:00pm** **Refreshments & Exhibits**
- 4:30** **EMERGENCY DEPARTMENT GUEST SPEAKER**
Am I Cool? Therapeutic Hypothermia for Acute Spinal Cord Injury
Jeffrey Schneider, MD
- 5:00** **Damage Control Resuscitation**
Bruce Crookes, MD
- 5:30** **Resuscitation for Head Injured Patient**
Ryan Jewell, MD
- 6:00** **Question and Answer Session with Panelists**
- 6:30** **Reception for Participants and Families**

FRIDAY, FEBRUARY 5

MORNING SESSION

- 7:00am** **Continental Breakfast for Participants**
- 7:30** **Sleeve Gastrectomy for Morbid Obesity**
Wasef Abu-Jaish, MD

8:00 SILS/Notes
Edward Borrazzo, MD

8:30 Laparoscopic Liver Resection
Antonio Di Carlo, MD

9:00-9:30 Question and Answer Session With Panelists

BREAST ULTRASOUND WORKSHOP* (OPTIONAL)
Ted James, MD

1:30-3:30pm **Previous ultrasound experience or completion of a course in basic ultrasonography is recommended. Participation in workshop does not certify competence.*

AFTERNOON SESSION

3:30pm Refreshments & Exhibits

4:00 Current Recommendations for Prophylaxis of Thromboembolism
Michael Ricci, MD

4:30 Dialysis Access
Julie Adams, MD

5:00 Mesenteric Ischemia Syndromes
Andrew Stanley, MD

5:30 Question and Answer Session with Panelists

6:00 Adjourn

SATURDAY, FEBRUARY 6

MORNING SESSION

7:00am Continental Breakfast for Participants

7:30 Surgical Groupthink
David McFadden, MD

8:00 SURGERY DEPARTMENT GUEST SPEAKER
The New Faces of Pancreatic Cancer Surgery
Charles Yeo, MD
2010 Stanley S. Fieber Visiting Professor

9:00 Question and Answer Session with Panelists

9:30 Conference Adjourns

HOTEL INFORMATION

Please call the Stoweflake by **December 30** (800-253-2232 or 802-253-7355) and indicate your participation in this course to obtain our discounted rates: \$249 single or double occupancy, plus Vermont State tax.

Room rates cannot be guaranteed after December 30. Please contact the UVM Continuing Medical Education Office (802) 656-2292 for a list of other area lodging possibilities.

FLASH DRIVE VS. SYLLABUS

Please indicate on the registration panel if you wish to receive a Flash Drive with pdf versions of the presentations, or if you wish to receive a syllabus book with printed handouts. (If you choose flash drive, then you will be required to bring your laptop. Extra books will not be available.)

REGISTRATION & CANCELLATION

All course materials, coffee breaks and reception are included. Refunds, less a \$50 administrative fee, are available if cancellation is made prior to January 15, 2010. No refunds are possible after that date.

ADDITIONAL ACTIVITIES

A welcome reception for speakers, registrants and families will be held on Thursday evening from 6:30-7:30.

TRANSPORTATION

By Car: Follow I-89 in Vermont to Exit 10, Waterbury/Stowe. Follow Route 100 North for approximately 11 miles. Turn left at the flashing red light in the village of Stowe onto Route 108 (Mountain Road). The Stoweflake will be located approximately 1¾ miles further on the right-hand side.

By Air: Burlington International Airport at Burlington, Vermont (only 45 minutes to Stowe) is served by several major airlines. Consult your travel agent or airline reservation desk for information.

RECREATION

Stowe's interconnected **cross-country ski centers** provide one of the largest, most diverse trail systems in the United States. More than 150km of groomed and 100km of back-country trails criss-cross Stowe's landscape.

The best in **alpine skiing** is found at Stowe's Mt. Mansfield and Spruce Peak complex. Mt. Mansfield is Vermont's highest peak and offers a wide range of terrain for every ability level. It's known for the double-black diamond (most difficult) "Front Four" trails, but also offers some great intermediate cruisers and a lovely group of beginner trails in the Toll House area. Spruce Peak is geared toward beginner and intermediate skiers and riders.

Discounted ski ticket vouchers will be available at registration. One voucher will be required for **each** single or multi-day ticket you wish to purchase. **Please pre-order vouchers by completing the appropriate section on the registration form.** For more Stowe information: www.gostowe.com
