The 4th Annual Northern New England Critical Care Conference

September 14-16, 2006

STOWE, VERMONT
The University of Vermont College of Medicine

Presents

The 4th Annual
Northern New England
Critical Care Conference

A Practical Guide to Critical Care Medicine

September 14-16, 2006

Hike the Green Mountains

The British Invasion

Celebration of the Vine

STOWE, VERMONT
Course Description
All practitioners, regardless of background and training, will, on occasion and by necessity, need to care for the critically ill patient. This course is designed to address timely clinical management issues related to critical care and will employ both didactic and hands-on sessions. Focus areas include airway and ventilator management, infectious diseases and sepsis, hematologic issues and transfusion, as well as specialty areas including obstetrics, pediatrics, and neurologic critical care. All ICU caregivers (physicians, critical care nurses, respiratory therapists, pharmacists, nurse practitioners and physician assistants) will learn up-to-date and practical information relative to daily management of the critically ill patient.

Optional concurrent airway workshops – Simulation, Difficult Airway and Percutaneous Tracheostomy – will take place on Friday afternoon. Participants will rotate through each 40 minute session. Registration will be limited to 45 participants to guarantee a favorable participant to faculty ratio.

New This Year!
Recertification in ACLS, utilizing the latest ACLS Guidelines, as released in December, 2005, will be offered at this year's conference on Saturday afternoon. Perform the self-study program prior to the conference; complete your credentialing by participating in the Skills Check with a certified instructor at the conference. Please indicate your interest in participating in the ACLS Recertification session on the conference registration form. In addition to the cost of materials, there will be a separate fee for this session. Detailed information will be sent to you.

Registration
The course fee includes tuition, comprehensive course syllabus, continental breakfast, and coffee breaks each day, and welcome reception for registrants and guests on Thursday evening.

The registration fee is $425 for physicians and $275 for other ICU caregivers. Registration in the optional concurrent airway workshops is an additional $100. Please return the Registration Form along with appropriate registration fee. PLEASE MAKE YOUR RESERVATIONS EARLY! Refunds may be obtained, minus an administrative fee of $50, if notice of cancellation is received by September 1, 2006. Refunds are not possible after that date.

Accreditation
The University of Vermont College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of Vermont designates this educational activity for a maximum of 11.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. (Two additional hours of credit will be awarded for the optional workshop.) Application has been made to the American College of Emergency Physicians for ACEP Category 1 Credit. Application for credit for pharmacists is also pending. This program has been reviewed and is acceptable for up to 13.5 Nursing Contact Hours.*

*The University of Vermont, Office of Continuing Medical Education, is an approved Provider of Continuing Education in Nursing by Vermont State Nurses' Association, Inc., which is accredited as an approver of continuing education in nursing by the American Nurses Credential Center's Commission on Accreditation.

Course #07-801-44
Accommodations

A block of beautifully appointed rooms has been reserved at the Stoweflake Resort. Please make your reservations directly with the hotel prior to August 1, 2006 (802) 253-7355 or (800) 253-2232, and indicate your participation in this course to obtain our discounted rates: $229 single or double occupancy plus Vermont State tax. Two bedroom townhouses are also available. Rooms cannot be guaranteed after August 1st. Please contact the UVM Continuing Medical Education Office (802) 656-2292 for a list of other available lodging possibilities. Traditionally, accommodations sell out quickly in this entire region due to the beginning of the popular foliage season. PLEASE RESERVE EARLY.

Leisure Activities

The Stoweflake offers extensive recreational facilities and superb continental cuisine. A new world class spa, indoor and outdoor pools, outdoor Jacuzzi, golf training facility and tennis courts are located on site. The beautiful Stowe Country Club is adjacent to the property. The award winning Stowe bike path is accessible across the street from the Stoweflake.

THE BRITISH INVASION: Selected by the Boston Sunday Globe as their “number ONE choice for Best 10 things to do within a day’s drive of Boston,” the British Invasion is a four day Stowe celebration and salute to the Great British Motorcar and all manner of other things British.

CELEBRATION OF THE VINE: Harvest and press grapes, participate in a grape stomping contest, enjoy live music, games for kids, hayrides, llamas, antique farming demonstrations and more! Location: Boyden Valley Winery in nearby Cambridge, Vermont.

Transportation

By Car - Take Exit 10 (Stowe/Waterbury exit) on I89. Follow Route 100 North to the village of Stowe (approximately 10 miles). At the intersection, turn left onto Route 108 (Mountain Road). The hotel will be located 1 ¾ miles further on the right hand side.

By Air - Direct flights to Burlington International Airport at Burlington, Vermont (only 45 minutes to Stowe). You may wish to rent a car to take advantage of the many fine restaurants and shops in Stowe Village and the surrounding area. Consult your travel agent or airline reservation desk for information.
