Welcome!

We hope that you can join us for this year’s Vermont Summer Pediatric Seminar at the Equinox in the brand new conference center. Once again we have selected our guest faculty to include highly acclaimed speakers and teachers and placed them in a setting devoted to education and fun. This year’s terrific guest faculty include Drs. Ellen Chadwick, Jane Knapp, Anthony Mancini, Melvin Senac, and James Stockman, plus Drs. Lewis First, Jerry Lucey and Leah Burke from Vermont. Participants will improve their skill, knowledge, and management of techniques in common office pediatric problems, including Dermatology, Emergency Medicine, Infectious Diseases, Hematology/Oncology, Radiology, Genetics, and Behavioral Problems. New diagnostic techniques in these areas will also be presented. The Vermont Summer Pediatric Seminar will again be held at the Equinox in Manchester, Vermont. Building on a tradition established by Drs. Jerry Lucey and Jim McKay, and now Lewis First, the course has continued to receive a great response. One participant commented, “Absolutely the best primary care conference I’ve attended!”

REGISTRATION

The course fee includes tuition, comprehensive course syllabus, and continental breakfast each morning, coffee breaks, lunch seminar on Friday, and breakfast seminar on Sunday for course registrants. In addition, the fee covers the receptions on Thursday and Saturday evenings for registrants and their guests.

Tickets may be purchased for a Barbeque Buffet at the Pond House Pavilion on Friday evening by using the Conference Registration Form. Register by May 1st and pay tuition of $450 ($475 after May 1st). THIS COURSE FILLS VERY QUICKLY. SPACE IS LIMITED - PLEASE REGISTER EARLY! Refunds may be obtained, minus a $50 administrative fee, if notice of cancellation is received by May 30, 2003. No refunds are possible after that date.

ACCREDITATION

The University of Vermont is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians. The University of Vermont College of Medicine designates this educational activity for a maximum of 13.25 hours in Category 1 credit toward the AMA Physician’s Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the activity. This program has been reviewed and is acceptable for up to 13.25 prescribed credit hours by the American Academy of Family Physicians.
