This course is designed so that participants are free from 10:30 AM to 4:00 PM for skiing and other winter recreation. The Topnotch at Stowe is a world-class hotel offering extensive recreational facilities and superb continental cuisine in its four star restaurant. A spa, heated pool, Jacuzzi, and indoor tennis courts are located on site. Horse drawn sleigh rides are also available on property, weather permitting.

Stowe exudes breathtaking beauty in the winter. World class skiing is available, at a discounted rate, by completing the appropriate section on the registration form. For those who seek alternatives to skiing, the village of Stowe offers many small, unique boutiques. Snowmobile rentals, Nordic skiing and skating are also available in the area. Call the Stowe Area Association at (802) 253-7321 for information.

The conference is intended for dermatologists who wish to improve their dermatologic skills. While this program is developed for the specialist, primary care physicians are welcome to attend. The course is designed to present up-to-date knowledge and state-of-the-art treatment modalities of selected dermatologic problems. Emphasis will be placed on early diagnosis and current therapies available for these problems. One of the strengths of this course will be the considerable interchange available between registrants and speakers.

The annual Mary Morse Memorial Downhill Ski Race will be held on Sunday afternoon at the mountain. All ages and abilities are eligible to attend. Prizes will be awarded on Sunday evening at the reception.

A guided group cross-country skiing outing will take place on Monday afternoon at the Trapp Family Ski Touring Center. Both events are complimentary.

**REGISTRATION**

TUITION: Physicians $450 (on or before November 15th); Nurse Practitioners/Physician Assistants $300; (on or before November 15th); Physicians-in-training: $275. Fee includes all course materials, continental breakfast and coffee breaks each day, and reception. Please make checks payable to University of Vermont in U.S. funds.

REFUNDS: Refunds, minus an administrative fee of $50, will be made only if notice of cancellation is received in writing by January 3, 2005. Refunds are not possible after that date.
