NORTHERN NEW ENGLAND
CRITICAL CARE
CONFERENCE

September 25-27, 2003
All practitioners, regardless of background and training, will, on occasion and by necessity, need to care for the critically ill patient. This course is designed to address timely clinical management issues related to critical care and will employ both didactic and hands-on sessions. Focus areas include the management of shock hemodynamics, advanced airway techniques, basic and advanced ventilator strategies, pacemakers, management issues in venous thromboembolism and antibiotic therapy in the ICU patient. All ICU caregivers (physicians, nurses, respiratory therapists, physician assistants and nurse practitioners) will learn up to date and practical information relative to daily management of the critically ill patient.

An optional hands-on workshop, developing skills in the management of the difficult airway, will be held on Friday afternoon.

**Registration**

The course fee includes tuition, comprehensive course syllabus, continental breakfast, and coffee breaks each day.

The registration fee is $395 for physicians and $250 for nurses. Registration in the optional airway workshop will be an additional $50. Please return the Registration Form along with appropriate registration fee. PLEASE MAKE YOUR RESERVATIONS EARLY! Refunds may be obtained, minus an administrative fee of $50, if notice of cancellation is received by September 5, 2003. Refunds are not possible after that date.

**Accreditation**

The University of Vermont College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of Vermont College of Medicine designates this educational activity for a maximum of 11.5 Category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the activity. The American College of Emergency Physicians is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The American College of Emergency Physicians designates this educational activity for a maximum of 11.5 Category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity. This program has prior approval from the AANA, Code # _______, expiration __________, 2003, for _____ CE credits. This program has been reviewed and is acceptable for up to 13.8 Nursing Contact Hours. *

Thursday, September 25

12:00pm  Registration
1:00     Welcome & Introduction
         Frederick Rogers, MD, Mark Hamlin, MD
1:15     Shock
         Steven Shackford, MD, FACS
2:00     Inotropes and Pressors in the ICU: From A to Vasopressin
         Mark Hamlin, MD
2:45     Break & Exhibits
3:15     Anemia in the ICU: Literature Based Approach to Blood Conservation, Transfusion, Triggers, and Erythropoietin
         Turner Osler, MD
4:00     Vascular Surgery Emergencies
         Michael Ricci, MD, FACS
4:15     Panel: The Use of PA Catheters in Surgery
         Drs. Hamlin, Shackford, and Parsons
         Moderator - Frederick Rogers, MD, FACS
5:30     Conference Adjourns

Friday, September 26

7:00am   Continental Breakfast & Exhibits
7:30     Initial Airway Management in the Intensive Care Unit
         Joseph Fitzgerald, MD
8:15     Specialized Airway Management Techniques
         Christopher Greene, MD
9:00     Tracheostomy: Bedside or OR
         Frederick Rogers, MD, FACS
9:45     Break & Exhibits
10:15    Modes of Ventilation
         Gilman Allen, MD
11:00    Ventilation Strategies in ARDS - Including ARDS Network
11:45  Adjourn for Lunch (on own)

Optional Session

1:30-3:00  Advanced Airway Management
          Drs. Fitzgerald, Greene, and Hamlin

7:00am  Continental Breakfast & Exhibits

7:30  Antibiotics in the ICU
       Jill Rebuck, PharmD, BCPS

8:15  Pacemakers and Their Management in the ICU Patient
       Mark Hamlin, MD

9:00  Evidence-Based Strategies That Improve ICU Outcomes
       Michael Young, MD

9:45  Break & Exhibits

10:15  Update on Pediatric Critical Care
       Barry Heath, MD

11:00  What's New in Thromboembolism Management in the ICU
       Frederick Rogers, MD, FACS

11:45  Conference Adjourns

Leisure Activities

The Stoweflake offers extensive recreational facilities and superb continental cuisine. A new world class spa, indoor and outdoor pools, outdoor Jacuzzi, golf training facility and tennis courts are located on site. The beautiful Stowe Country Club is adjacent to the property. The award winning Stowe bike path is accessible across the street from the Stoweflake.

FALL FOLIAGE: Stowe exudes breathtaking beauty in the fall. Mountain views surround you in a blaze of color. The village of Stowe, with its small town charm, offers many lovely, unique boutiques. Take a drive in any direction and enjoy Vermont's spectacular scenery during the peak of our fall foliage.

Transportation

By Car - Take Exit 10 (Stowe/Waterbury exit) on I89. Follow Route 100 North to the village of Stowe (approximately 10 miles). At the intersection, turn left onto Route 108 (Mountain Road). The hotel will be located 1 ¾ miles further on the right hand side.

By Air - Direct flights to Burlington International Airport at Burlington, Vermont (only 45 minutes to Stowe). You may wish to rent a car to take advantage of the many fine restaurants and shops in Stowe Village and the surrounding area. Consult your travel agent or

Accommodations

A block of beautifully appointed rooms has been reserved at the Stoweflake Resort. Please make your reservations directly with the hotel prior to August 15, 2003, (802) 253-7355 or (800) 253-2232, and indicate your participation in this course to obtain our discounted rates: $279 double occupancy plus Vermont state tax. Two bedroom townhouses are also available. Rooms cannot be guaranteed after August 15th. Please contact the UVM Continuing Medical Education Office (802) 656-2292 for a list of other lodging possibilities. Traditionally, accommodations sell out quickly in this entire region due to the popular foliage season. Please reserve early.

Please reserve early.
